

155 Series

For Mimaki JV5 Digital Printers

OEM color comparable*.

Excellent print head and nozzle performance.

Enhanced odor.

Extended exterior performance with proven resistance to the effects of UV degradation and color fading.

High intensity, high gloss colors.

Excellent adhesion and flexibility on most digital inkjet media.

Nazdar's Lyson® Series 155 ink is a true alternative to the OEM HS ink set. Our cartridges are 100% compatible and install just like OEM cartridges. 155 Series ink is color comparable*, meaning there is no need to custom profile in the most situations, and superb results can be expected from our high performance, high gloss formulation.

Excellent nozzle performance promotes head life, while our enhanced odor can make for a more pleasant working environment.

Users will also realise substantial cost savings over the OEM product.

You will find the Lyson® brand buried in the history of nearly every inkjet printer manufacturer currently offering products to the market. Nazdar continues to enjoy the position as a preferred inks manufacturer to a number of OEM partners. As one of the most experienced ink development companies in the world, Nazdar offers more knowledge and R&D expertise than any other ink company.

Nazdar is known for products that are at the leading edge of color and performance in the ink jet world. While we continue to develop innovative new products, we are very aware of the market requirement for products that very simply match the characteristics of the OEM offering.

With the industry's strongest third party warranty, you'll take comfort in knowing that Nazdar stands behind every drop of Lyson® digital ink that it supplies, with the best warranty in the business. Nazdar's warranty states that if Lyson® inks are ever proven responsible for the breakdown of a digital printer, Nazdar will provide

reimbursement for the cost required to repair any damage to the ink train.

We proudly offer our Lyson® branded products as the most reliable and technically advanced in the industry. Keep an eye on Nazdar and the Lyson® brand as more new; innovative and essential products are sure to come.
