

# 910 Series

## For HP 9000/10000 Digital Printers

- Substantial savings over OEM ink
- 1 liter compatible cartridges available
- Color Matched to OEM inks\*
- No profiling necessary\*
- Reliable unattended printing
- Compatible with OEM ink
- No Clog/Fast Drying Formula

Nazdar's Lyson® Series 910 ink is a true alternative to HP 9000 & 1000 Designjet ink sets. Our cartridges are 100% compatible and install just like your OEM cartridges. 910 Series ink is color matched so there is no need to profile. Unattended printing is safe and reliable with our no clog, fast drying formula. Our display longevity performance matches that of the OEM ink and, as with all Lyson® branded solutions, you will realize substantial cost savings over the OEM product.

Let us show you how a cartridge solution can be less expensive to operate than a bulk feed system!

You will find the Lyson® brand buried in the history of nearly every inkjet printer manufacturer currently offering products to the market. Nazdar continues to enjoy the position as a preferred inks manufacturer to a number of OEM partners. As one of the most experienced ink development companies in the world, Nazdar offers more knowledge and R&D expertise than any other ink company.

Nazdar is known for products that are at the leading edge of color and performance in the ink jet world. While we continue to develop innovative new products, we are very aware of the market requirement for products that very simply match the characteristics of the OEM offering.

With the industry's strongest third party warranty, you'll take comfort in knowing that Nazdar stands behind every drop of Lyson® digital ink that it supplies, with the best warranty in the business. Nazdar's warranty states that if Lyson® inks are ever proven responsible for the breakdown of a digital printer, Nazdar will provide

reimbursement for the cost required to repair any damage to the ink train.

We proudly offer our Lyson® branded products as the most reliable and technically advanced in the industry. Keep an eye on Nazdar and the Lyson® brand as more new; innovative and essential products are sure to come.
